05/02/2018

Dear Mrs J Millingto

I wanted to write to you personally to say thank you for inviting us into your school on 30 Jan 2018

It was a privilege to be invited and spend time with your children and staff.

Our presenter, Matt said that he was very well received and that the day ran according to plan. Matt also said that the children were very well behaved, showed great enthusiasm for learning about space and asked lots of fascinating questions.

The classes which visited us were Y1&5s and I hope they had a wonderful learning experience.

Please pass on our thanks to the children and staff who came to the WonderDome planetarium.

If you would like us to visit again please contact us to make the arrangements.

Yours sincerely,

***Olga Cam***

Managing Director
