

KERR MACKIE PRIMARY SCHOOL  
YEAR HANDBOOK  
SEPTEMBER 2012

Welcome to the Year 2 class booklet, providing information about the year group and class your child will be in next year, September 2012.

We know that a huge number of the school's parents and carers want to support their child's experience at school as much as possible and we hope that you find the information provided in this booklet helpful.

## **CONTENTS**

- Staffing
- Curriculum
- Maths end of year expectations
- Reading end of year expectations
- Writing end of year expectations
- End of year national curriculum levels
- Assessment procedures
- Homework
- Attendance
- After School Clubs
- Healthy packed lunch guidance
- Feedback

Maple Class teacher: Mrs A. Maqsood Shah (Mon, Tues, Wed) & Miss V. Horwell (Thurs & Fri)

Spruce Class teacher: Miss K. Marsden

Miss Horwell will teach music in Y2

Teaching Assistants

Mrs M. Marcus

Mrs M. Barrett

Mr J. Hill

## **CURRICULUM**

The curriculum is made up of the following subjects

- English
- Maths
- Science
- ICT (computers)
- Geography
- History
- Design Technology
- Art
- Religious Education (RE)
- Music
- Personal, Health and Social Education

Currently, apart from RE there is a statutory national curriculum for children in Y2 covering the above subjects. For RE the school follows Leeds agreed syllabus. We know that all the children really enjoyed learning French in Reception and therefore the school is currently exploring whether it is possible to continue this in Y2. Your child will receive reading, writing and maths lessons every day, two hours of P.E. per week, one hour of music and R.E. per week and at least one hour of ICT per week. The school is currently revising the curriculum and further information about the topics your child will cover will be provided in September.

A curriculum newsletter is sent home at the beginning of each half term which details what

your child will be learning in a range of subjects and the skills that will be developed.

There are set national expectations for the end of each year group. We know that some children will exceed these expectations and some may not acquire all of them. Our job is to ensure that your child achieves his/her full potential.

## **Reading**

By the end of Y2 most children are expected to

- Read with fluency and expression.
- Comment on plot, setting and characters in familiar and unfamiliar stories.
- Self correct when a mistake is made.
- Know whether the text being read refers to the present or the past.
- Make a good attempt at reading unfamiliar words.

## **Writing**

By the end of Y2 most children are expected to

- Use 'and' and 'then' to join ideas.
- Use words such as 'before', 'meanwhile' 'because'.
- Use present and past tenses consistently and correctly.
- Use capital letters, including I, and full stops correctly.
- Use question marks.
- Use commas in a list.
- Mostly correct spelling of commonly used words.
- Letters formed correctly.

## **Maths**

By the end of Y2 most children are expected to

- Count to at least 100.
- Explain value of hundreds, tens and units.
- Read, write & order numbers up to 100.
- Count on and back in ones & tens from any number under 100.
- Know & use all addition and subtraction facts to 20.
- Know all number pairs to 100 using 'ten' numbers. E.g. 10+90, 20+80, 30+70.
- Can double all numbers up to 10 and halve all even numbers up to 20.
- Know by heart x2, x5 and x10.
- Tell time to half & quarter hour.

## ASSESSMENT

Your child's learning is assessed continually by the class teacher and each half term the teacher submits the level your child is working at in reading, writing and maths to the Headteacher. This helps the school monitor how well your child is learning, and identify how we can challenge and support your child so they achieve their full potential.

During the summer term in Y2 your child will complete the end of Key Stage 1 assessments. This will involve reading an unfamiliar text, a maths test and producing a piece of writing. The results of these tasks are used by the teacher to compare against his/her assessments made during the year. The teacher will use his/her professional judgement to set a level for your child that best reflects their ability. These levels are submitted to the Department for Education and are used to predict the level your child will be expected to achieve by the end of Y2.

Your child's class teacher will discuss with you at parents' evenings the level your child is working at and the level they are expected to achieve by the end of the year. You will receive regular updates on how well your child is doing and guidance on how you can support at home.

The national expectation is for children to achieve a secure level 2 (2b) by the end of Y2 if they are to achieve level 4 by the end of Y6.

The following table shows the level most children are expected to be working at by the end of each school year.

	1c	1b	1a	2c	2b	2a	3c	3b	3a	4c	4b	4a
Y1												
Y2												
Y3												
Y4												
Y5												
Y6												

## HOMEWORK

Each week your child will receive a list of spellings to learn, some maths facts to practice and a learning log. The purpose of the learning log is for your child to show their learning based on what they have been learning in school in any way they choose. Children have an opportunity to share their learning logs with the rest of the class.

## AFTER SCHOOL CLUBS

During the first term the following After School Clubs are available to your child in Y2

Monday – French

Tuesday – Football and Drama

Wednesday – Art and Multisport

Thursday - Cricket

Parents and carers will receive more detailed information in September

## ATTENDANCE

Good attendance plays a crucial role in helping your child achieve well at school. The Department for Education recommends that primary school children should have a minimum attendance of 95%. We will always phone on the first day of your child's absence so we can accurately record the reason for your child's absence. If the school begins to have a concern regarding your child's attendance, the school's attendance officer will make contact and discuss with you whether there are any particularly issues that are affecting your child's attendance and if there is anything the school can do to help.

An attendance rate of 90% is the equivalent of being absent for **one half-day every week**.

**90%** attendance is equivalent to missing **four whole school weeks** in the school year.

15 minutes late each day means **10 days** lost to school each year.

## KEEPING HEALTHY

The school is committed to supporting parents and carers help their child make healthy life choices. The work school has done in this area was recognised as good by Ofsted. Your child will learn about healthy foods and the importance of exercise whilst in Y2 and will receive two hours of P.E. every week. The school has worked closely with parents and carers and governors to develop guidance on providing healthy packed lunches. Please find the guidance below, I hope it is useful. The guidelines that we are proposing are a combination of those suggested by the Schools Food Trust and Education Leeds.

### **Proposed guidelines**

For a balanced packed lunch please try to include one each of these healthier foods and drinks. You will see that there are five components (plus a drink) which make up an 'ideal' lunch:

Fruit	Essential for vitamins and minerals. Try to include at least one portion of fruit (fruit juice can count as one portion).
Vegetables	Again for vitamins and minerals. Try to include at least one portion of vegetables.
Protein	Required for muscle growth. Add some protein, for example, lean meats, fish, eggs, tofu, pulses, nuts or beans.
Starchy foods/carbohydrates	Starchy foods are great for energy. These include bread, rice, chapattis, and pasta. Unprocessed types are best such as wholemeal bread rather than white.
Milk and dairy foods	Crucial for healthy bones and teeth. Choose from milk, cheese or yoghurt.

Please try to avoid:

Crisps

Chocolate

Snacks which are high in fat, sugar or salt

### Drinks

Water	Fresh, cooled water will be freely available for your child on the table at lunchtime.
Healthier drinks	If you would like to put a drink in your child's packed lunch please try to include water, milk, fresh fruit juice or fruit smoothies.  Please try not to include any drinks sweetened with sugar or artificial sweeteners (such as aspartame), or flavoured milk.

Packed lunches should not include fizzy drinks or sweets.

## FEEDBACK

This is the second time we have produced a handbook for each year group and the school would welcome your comments.

In September you will receive a model timetable showing a typical week in Y2. If there is other information you would like, please let us know by returning this sheet.

Thank you for taking the time to read this booklet.

---

I think the handbook is a good idea

agree/do not agree

I found the handbook helpful
