MUSIC PERFORMANCES @ KERR MACKIE

Dear Parent/Carer,

We are lucky to have so many musically talented children at Kerr Mackie. Here are some useful dates for the diary:

Christmas Choir: 10 November – Oakwood Lights Switch On (time to be confirmed – probably 6pm)
 10 December – Gledhow Lodge 1:45pm
 13 December – MHA Gledhow 1:45pm

Music Concerts: 13 December Christmas Concert School Hall 6:30pm
 21 March Spring Concert School Hall 6:30pm
 4 July Summer Concert School Hall 6:30pm

There will be three end-of-term music concerts. This is a chance for our Choir, and pupils who receive music lessons in school, to perform for an appreciative audience. The concert is also open to children who have lessons out of school in Y2 upwards. The school has a piano, so pianists are welcome to come forward, too.

There is no pressure to perform. If your child has a festive piece that they can play confidently, and they would like to play in a concert, we would love to have them on board. If your piece needs piano accompaniment, I am happy to play the piano for you. Please give me your accompaniment as soon as possible – I'll need lots of practise. I will send out a letter about the Christmas Concert

I am setting up a choir in the second half of each term to prepare items for these concerts; the Christmas Choir will be very busy as you can see from the dates above. I will send separate letters about the Choir and the Christmas Concert when I have spoken to the children about whether or not they want to take part. Please talk to your child about singing and playing and encourage them to perform if it sounds like something you want to support.

Yours sincerely,

H Crowther
Deputy Headteacher & Music Leader

'Leaders show considerable moral purpose. All staff show a sustained commitment to pupils' social and emotional welfare. Pupils behave positively as they feel valued and supported.'
Ofsted July 2018.
