Dear Parent/Carer

MILK IN SCHOOLS SCHEME – YEARS 1 TO 6 (2018-19)

We are able to offer children a third of a pint of milk in school each day. Fresh milk is an excellent food for growing children and for the nominal charge of £21 for the school year, the daily one third of milk represents excellent value for money.

Please indicate whether you would like your child to have milk for the academic year 2018-19 by returning the slip, together with £21, as soon as possible. Payment can be made online with Parentmail

If your child is entitled to free school meals (means tested – not the universal free school meal) they are also entitled to free milk.

Please return your slip and payment as soon as possible.

Yours sincerely

Mrs J Millington
Headteacher
