Chair of Governors: Veena Murray

Together Everyone Achieves More

03 October 2017

Dear Parent/Carer,

National Society for the Prevention of Cruelty to Children (NSPCC) Assembly

Your child recently attended an assembly in school from the NSPCC as part of our preventative curriculum to keep your child happy, safe and healthy. If your child is in Year 2 they will have missed the assembly due to their trip, but a separate assembly will be done with them in class.

Part of the assembly focused on asking your child to support the charity in their fundraising by completing a sponsorship form. Your child will have come home with one of these last week in their book bags. The children will participate in a class activity and then be able to collect their sponsorship money.

KS1 Task: Playground Pastimes

What's the time Mr Wolf? Simon Says it's time to have fun working out in the playground playing traditional games. Just make sure you follow the Captain's orders so you don't get stuck in the mud!

KS2 Task: Super Circuits

Complete different challenges around the circuit, such as star jumps, speed bounce, shuttle runs or even a beanbag surprise.

The forms need to be returned to school with their money by **Monday 16th October** to be collected by NSPCC.

We strongly advise that any sponsorship money collected should be from known family and friends.

On behalf of the NSPCC, I thank you for your support.

Yours sincerely,

Mrs J Millington
Headteacher

'The school is committed to safeguarding and promoting the wellbeing of all children and expects our staff and volunteers to share this commitment.'

'Pupils enjoy learning, work hard & achieve well' (Ofsted October 2012)
