Together Everyone Achieves More

03 October 2017

Dear Parent/Carer,

National Society for the Prevention of Cruelty to Children (NSPCC) Workshop (Yr 5 +6)

Your child recently attended an assembly in school from the NSPCC as part of our preventative curriculum to keep your child happy, safe and healthy. Year 5 and 6 will participate in workshops held by NSPCC in school tomorrow and Thursday 5th October. However, if you do not want your child to take part, please indicate on the slip below.

The workshops will consist of:

- Discussing different types of abuse with their basic definitions
- Discussing how things may make a child feel and why they should trust their feelings
- Talking about Online Safety and neglect and that it is not just about money and what the child could do if they feel sad

The workshops will generally be based around basic children's rights to be happy and safe.

On behalf of the NSPCC, I thank you for your support.

Yours sincerely,

Mrs J Millington
Headteacher

NSPCC Workshop for Years 5 & 6

I **do not** wish for my child _____ in _____ class to take part in the workshops tomorrow or Thursday 5th October.

Signed (parent/carers): _____

Date: _____

'The school is committed to safeguarding and promoting the wellbeing of all children and expects our staff and volunteers to share this commitment.'

'Pupils enjoy learning, work hard & achieve well' (Ofsted October 2012)
