Together Everyone Achieves More

18 September 2018

Dear Sir/ Madam,

As a Nursery setting, we have been in contact with Kalvant since January 2018. She currently cares for two of the children from our setting as a childminder.

Kalvant has shown to us to be very organised, professional and caring towards the children she looks after. She has built a strong relationship with the girls and they are always happy and excited to see Kalvant at the end of the day.

Kalvant has been excellent in liaising between the children's parents and ourselves at Nursery. As a setting, we deliver messages over Tapestry; however, as the girl's parents work full time they admittedly do not get chance to always check tapestry for short-term messages. Kalvant is vigilant in ensuring that parents receive these messages and the day to day communication regarding the children is clear between all parties.

Yours sincerely,

Hannah Pickering
Nursery Teacher
