14 September 2018

Parent Homework Questionnaire

Dear Parents/Carers,

We are currently reviewing our Home Learning Policy and your views are extremely important to us. We would welcome feedback from parents/carers about your views on homework. During the welcome meetings next week, class teachers will explain what homework tasks are being sent home for each child.

Enclose is a confidential questionnaire for each parent/carer to complete and return to school about home learning. I know that you understand with an area like this it is impossible to please everyone but we hope to make it as manageable as possible for parents and as purposeful and interesting as possible for children.

Please could you return the questionnaires to the box in the school reception area no later than **Friday 21st September**.

Yours sincerely,

Mrs K Furlong
Deputy Headteacher

‘There is no change to the school’s current overall effectiveness grade of GOOD, Ofsted January 2018.

‘The school is very clear about the challenges ahead and is determined to sustain and improve standards to enable all pupils to achieve their potential’
