Chair of Governors: Veena Murray

Together Everyone Achieves More

11 December 2017

Dear Parent/Carer,

Roundhay Park Lake - Lime

On Thursday 4th January, Year 4 Lime, will be walking to Roundhay Park Lake. This is part of our exciting new topic about water, which we are also linking with our literacy unit. Your child will need to wear their school uniform, sensible shoes and a waterproof coat. We will be back in time for lunch but your child will need a water bottle and a small snack to take with them.

As this is a local visit, we do not require a separate permission slip as this was provided at the beginning of the year. If we do not have a slip for your child, we will arrange for one to be signed.

Yours sincerely,

Mr Widger and Mrs Furness
Lime Class Teachers

'The school is committed to safeguarding and promoting the wellbeing of all children and expects our staff and volunteers to share this commitment.'
