Email: office@kmpps.org.uk

Headteacher: Mrs Jennifer Millington

Chair of Governors: Veena Murray

Together Everyone Achieves More

03 November 2017

Dear Parents/Carers,

I would like to take this opportunity to introduce myself. My name is Rifat Bashir and I am the new School Business Manager at Kerr Mackie Primary. I was previously the School Business Manager at Richmond Hill Primary and am looking forward to working with the pupils, parents, staff and governors at Kerr Mackie Primary School. I am based in the school office so please do come and say hello.

Thank you for your patience as the remodeled entrance door is being established. We will need to decorate and also adjust the window opening to the office but I am sure you will agree safe access is now much more controlled.

It has been brought to my attention that both pedestrian gates are not being closed properly when parents are dropping children or picking them up during the school day. Please can I stress the importance of closing the gates securely behind you to ensure we can keep our children safe and that the school playgrounds and building is properly secure at all times, thank you.

The school would also like to start its annual collection for the Royal British Legion for the period of Remembrance. From Monday 6th November 2017 a group of Year 6 children will go around the classes selling poppies for £1 each, any other donation amount will also be welcomed.

To mark Remembrance this year, we will be having an assembly lead by a war veteran on Thursday morning and on Friday 10th November at 11:00am we will be gathering together as a whole school community on the playground. If you happen to pass by school at this time, please stop for a moment and join in with us.

We appreciate your continued support.

Yours sincerely,

Mrs R Bashir
School Business Manager

Mrs J Millington
Head teacher

'The school is committed to safeguarding and promoting the wellbeing of all children and expects our staff and volunteers to share this commitment.'

'Pupils enjoy learning, work hard & achieve well' (Ofsted October 2012)
