Headteacher: Mrs Jennifer Millington

Chair of Governors: Veena Murray

Together Everyone Achieves More

05 January 2018

Dear Parents/Carers,

On Friday 19th January, both year 4 classes will be visiting the Education Centre at Headingley Water Treatment Works. Here they will be learning about the water cycle, how water is cleaned and how it is used. This will help to enrich the pupils' learning within this term's water topic.

Lime class will be going in the morning and will therefore need to be in school at 8.45am as the coach will be departing at 9.00am. They will return to school in time for lunch. Cedar class will be having an early lunch at school and then they will depart at 12.15pm, returning in time for the end of school.

To fund this experience, we are asking each child to contribute **£3.70**. This is a voluntary contribution, however we need to make you aware that if we are unable to raise sufficient amount through voluntary contributions, then we may not be able to go ahead with this amazing experience.

Please complete the permission slip on the back and return it to school by Wednesday 17th January. Please make your contribution through ParentMail. *Unfortunately we cannot provide barcoded letters for payments for this trip as the payment is under £5.00. If you are struggling to use online payment, please pop into school with your debit card and the office staff will happily assist you in making the payment online.*

If you have any questions, please contact us.

Yours sincerely,
Ms Pascoe, Mr Widger and Mrs Furness

Headingley Water Treatment Works – Friday 19th January 2018

I give permission for my child _____ in _____ class to take part in the above trip.

Signed: _____ (Parent/Carer) Date: _____

'The school is committed to safeguarding and promoting the wellbeing of all children and expects our staff and volunteers to share this commitment.'

'Pupils enjoy learning, work hard & achieve well' (Ofsted October 2012)
