

KERR MACKIE PRIMARY SCHOOL

1st May 2015

Dear Parent/Carer,

We are now two weeks in to the new term, and the final term of this academic year, and we are as busy as ever. So...

What's new this term?

Firstly, all the year groups have begun their new exciting projects and already we can see how enthusiastic the children and staff are about them. Many of the children are researching and finding out more at home, or bringing in models and pictures. This really shows us that all the work we have done on the new curriculum is engaging the children at Kerr Mackie. I am sure many parents have also been very impressed with their child's classrooms and the learning environment created by staff. Don't they look amazing! Only this morning I have conducted a tour of the school for a leadership team of another school, as they had heard about the work we are doing around our curriculum and learning environments. You can find out more on our website, in the curriculum newsletters and by following us on Twitter.

We have also revised our dinner menu this term following the feedback we had from parents. I hope you have noticed the changes. Quite a few parents have already commented on how pleased they are with the new menu and the children seem to be enjoying the dinners. You can find the school dinner menu on our website.

Following the huge success of our Easter Fair the children held at the end of last term (see below), we are hoping to organise a similar event for Wednesday 15th July. This will be instead of the school summer fair which we are not able to hold this year. We will provide more details nearer the time but we are hoping some parents will be able to help out on the day.

I would like to wish everyone a happy Bank Holiday (fingers crossed for the weather).
Mrs Ronicle, Headteacher

CURRICULUM

RECEPTION VISIT TO TROPICAL WORLD

On Tuesday, Reception enjoyed a super day visiting Tropical World learning lots about a whole range of creatures, their favourites being the colourful butterflies and the cute meerkats! They found the Amazon fish fascinating as well as the Tamarin monkeys they thought were squealing at them. Despite the cold day they had fun playing games in Roundhay Park before the long walk back to school. Everyone was very tired, but said they had great fun.

YEAR 4 ART EXHIBITION

On Wednesday this week Year 4 parents were invited in to look at the art and work the children have been working on. We had some wonderful comments left:

"The artwork is amazing. Great work!!"

"Lovely seeing the children's work!"

"As always an amazing range of activities executed with energy and enthusiasm!"

"Lovely range of materials used to help the children understand water, beautifully presented. Well done to all the children."

SPORT

NETBALL

On Monday the 27th of April the year 6 netball team played in a tournament at Roundhay High School. There were 22 teams competing. We were placed into a group, with four other schools. We played everyone once and the winner of our group then went through to the quarter finals. We played extremely well against the other schools but unfortunately we didn't win the group stage. It was great to play competitively and we learnt a lot from the tournament.

“On Thursday the 30th of April we played against a school called Bracken Edge and we won the match with the score of 12-2. We changed our tactics and positions and this helped us to secure our win. Thanks to Miss Howard for arranging these matches and we are all looking forward to our next match”. Written by Alex Watson, Ruqayyah Boston, Maya Hone, Amy Wilkinson and Lily Furness, the members of the year 6 netball team.

GOLF

“On Thursday 30th April, Tia, Iqra, Oscar, Monica, Edie, Qasim, Meekaeel, Hamza and Bernard all went to Roundhay High to play a tri golf tournament. There were 8 different stations, which were all different. There were three school in total and we came second, but we really enjoyed it. Our favourite stations were bullseye and dominoes.” Written by Edie and Oscar in Larch class.

RUGBY

We've been drawn against Alwoodley Primary in the quarter final of the Under 11 Watson cup. The match will take place after SATS but it will be a home match. Plenty of practice required team!

PSA

ROUNDHAY PRIMARY FUN RUN

This year is the 10th year of the Roundhay Primary Schools Run for Fun. Come rain or shine this is a wonderful event to be involved with, either as a child or adult joining in with the run or as a marshall on the course giving support and encouragement. The money raised is split equally between all the organising schools, with sponsorship monies that our school raises going direct to our PSA funds. The run will take place at Roundhay Park on the morning of Saturday 20 June 2015. There is a 1km run and a 5km run, so something for all children and adults regardless of age and fitness level!

The entry form was emailed to you recently and copies are available from the school office.

Completed forms and entry fees / t-shirt money should be returned to the school office no later than 8 May (although you can enter on the day - details on the entry form). Running packs will be sent out nearer the time with t-shirts, running numbers and further information to all those that return their form and fees as directed. We look forward to seeing you on the day!
